Year 2007 Senior Technician Laboratory of Clinical pedagogy

Year 2 Agosto 2004 - 15 November 2007

Senior Technician

Supervised the multicenter trial ROMEO (Rethink Organization to iMprove Education and Outcomes) (ISRCTN19509463) on the transferability of Group Care to other clinics in Italy

Department of Internal Medicine. University of Turin.

Pedagogy. Patient Education.

Year 1 novembre 2003 – 1 agosto 2004

Scholarship (Assegno di ricerca) as trial coordinator, ROMEO. Department of Internal Medicine. University of Turin.

Supervised the multicenter trial ROMEO (Rethink Organization to iMprove Education and Outcomes) (ISRCTN19509463) on the transferability of Group Care to other clinics in Italy

Department of Internal Medicine, University of Turin.

Pedagogy. Patient Education.

Year 1993-2003

Scholarship (Borsa di Studio) as trial coordinator, ROMEO and Diabetic Retinopathy Center.

Supervised the multicenter trial ROMEO (Rethink Organization to iMprove Education and Outcomes) (ISRCTN19509463) on the transferability of Group Care to other clinics in Italy

Department of Internal Medicine. University of Turin

Pedagogy. Patient Education.

Year 7 March 1994

Graduated as Pedagogist (Education Scientist) with a thesis on how knowledge and behavior attitude are acquired by adult learners, with reference to the methodology of experimental research in education science. Facoltà di Magistero. University of Turin.

Health Behavior

University of Turin

Laurea Magistrale

Year 2005

	<p>Master in System and Communication Technologies in Organization. Centre for Research. Thesis in human resources and job design. University of Ferrara.</p> <p>Human resources and job design University of Ferrara.</p> <p>MBA Master Business Administration.</p>

Award and Honors

2019. Grant EFSD-INTENSE Project. EUROPEAN ASSOCIATION STUDY FOR DIABETES. Ambient Intelligence for Long-term diabetes Care (AmILCare)

2019. Award 2019 Per le Professioni Sanitarie. Società Italiana di Diabetologia (SID).

2010. National Award. La PA che si vede. Sesta Edizione 2010. La Pubblica Amministrazione. Repubblica Italiana.

2009 June. DAWN Award 2009 "Roberto Sivieri" category Type 2 Diabetes, for her project Il modello clinico educativo ed assistenziale della Group Care. Risultati Clinici e Psicocognitivi (Group Care, a clinical-educational and care model. Clinical and psycho-cognitive results). Senato, Palazzo Giustiniani, Sala Zuccari, Rome.

2008 September. Diabetes Award for the best abstract on Therapeutic Patient Education submitted to the 44° EASD Congress, DESG (Diabetes Education Study Group) "Quality of life, coping ability and metabolic control in patients with type 1 diabetes followed by Group Care with a carbohydrate counting programme".

2006 September. Diabetes Award for the best abstract on Therapeutic Patient Education submitted to the 42° EASD Congress, DESG (Diabetes Education Study Group) "Locus of control in patients with type 2 and 1 diabetes after long-term management by Group Care"

2006 April. Best Original Poster presentation: "Locus of control in patients with type 2 and 1 diabetes after long term management by Group Care" VIII Eli-Lilly Workshop, Approfondimenti scientifici in Diabetologia, 1st Italian-Spanish Meeting, Florence.

2003 June. Diabetologia Best Annual Paper Award awarded by the Executive Committee of the EASD for the paper "Lifestyle intervention by group care prevents deterioration of type II diabetes: a 4-year randomised controlled clinical trial" (Diabetologia 45:1231-1239; 2002).

2001 September. Diabetes Award for the best abstract on Therapeutic Patient Education submitted to the 37th EASD Congress, Glasgow, 2001. DESG (Diabetes Education Study Group) "Perceptions of retinopathy and screening procedures among diabetic people"

2001 May. National Award by the Giornale Italiano di Diabetologia e Metabolismo Diabete, Obesità e Patologie Metaboliche: dalla Ricerca alla Clinica.

1999 July. Travel Grant Fellowship of the EASD for a collaborative research project with Bro Taf Diabetic Retinopathy Screening Service, Llandough Hospital, Penarth, Vale of Glamorgan, UK.

1999 June. Travel Grant Application 35th Annual Meeting EASD, Brussels, Belgium.

Organizations of Scientific Meetings

2015 EASDec 25° Annual Meeting. Local Scientific Committee. 200 participants. Turin.

2008 EASD 44° Meeting. Scientific Secretariat. 18.000 participants. Rome. Italy. <https://www.easd.org/virtualmeeting/home.html#!events/3/programs/2008-09-08>

2004 EASD Post Graduate Course on Embedding Education In Diabetes Practice. Scientific Secretariat. 200 participants, Turin. Italy.

From 2017 Member Società Italiana di medicina Interna, SIMI

From 2010 Member Società Italiana di Pedagogia Medica, SIPEM

From 2002 Member Società Italiana di Diabetologia, SID

From 1999 Member European Association for the Study of Diabetes, EASD

Research activities

2018-2021 Member of REPRISE Project (Register of Scientific Experts) on behalf of the Italian Ministry of Education, University and Research (MIUR).

2016-2021 Co-Investigator for the Project: Epigenetic and psychologic correlates of metabolic control in people with type 2 diabetes followed by a long-term structured self-management education program. RF-2016-02362234, Ministry of Health, Italy.

2014-2019. Post-graduate course in Storytelling practices for health care providers. Bicocca University. Milan.

2015. Member of the Local Scientific Committee for 25° Annual Meeting of EASDec. Turin.

2014 Reviewer for EFSD Grant Programme in Patient Education 2014.

2013-2016 Member of the EUROCONDOR Project: European Consortium for the Early Treatment of Diabetic Retinopathy, for the evaluation of Adverse Effects and Quality of Life in people with type 2 diabetes.

2010-2016 Contributor to the Project Neuropsychological, neurofunctional and epigenetic effects of structured group patient education in type2 diabetes. Ministry of Health, Italy.

2008-2010 Member of the GUIDANCE (Guideline Adherence to Enhance Care) project.

2008-2009 Principal Investigator in the project: Psyconeuroendocrine effects, economic analysis and self management education in type 2 diabetes by Group Care. Ministry of Health, Italy.

2003- to date coordinates training for Professional Educators.

2003- to date Scientific manager in courses for provider teams on Self-Management Education of Type 2 and Type 1 people with Diabetes by Group Care at Turin University.

2002-2010 Written fairy tales for preschool children and coordinated a project on nutritional education in nursery schools in Turin supported, by Compagnia di San Paolo of Turin.

2000-2006 Lecturer of Adult Education and General Pedagogy, Nursing School, Turin University.

1999-2010 Supervised the multicenter trial ROMEO (Rethink Organization to iMprove Education and Outcomes) (ISRCTN19509463) on the transferability of Group Care to other clinics in Italy.
